Visible at	Lazio
Price	289.000€ - VAT Paid
Safety certificate expiry	2027

PRESENTATION

Splendid Bavaria 56 Cruiser owner's version in excellent condition and very well equipped. 4 cabin and 2 Heads version with complete crew cabin forward and tender garage aft. The interiors, in oak, are in perfect condition and very spacious and bright. The owner's cabin forward, of most generous dimensions, is truly luxurious, with king size berth, desk, separate shower stall and en suite Head. Notable is the galley in "U" shape with ample work surfaces in resin, double refrigerator and microwave. This yacht truly has everything one could desire for cruising. On board are generator, watermaker, air conditioning, dual heating, satellite TV and Fusion stereo, electric toilets, solar panels and much more. Everything is simple also from the point of view of maneuvers thanks to the electric mainsail furling system in the mast, electric winches and bow and stern thrusters. Very beautiful and complete the B&G electronic instrumentation. A unique opportunity for those seeking a luxurious cruising yacht, easy to handle and equipped with all comforts.
