

Sun Fast 37

TECHNICAL SPECIFICATIONS

Shipyard	Jeanneau
Year	2005
Design	Jacques Fauroux
Length	10.95m
Beam	3.7m
Draft	2.1m
Displacement	6.300kg
Flag	Italian
Visible at	Lazio
Price	68.000€ - VAT Paid
Safety certificate expiry	2028

PRESENTATION

This vessel we have known and followed for many years. Its owners have constantly maintained and updated it: it is therefore in excellent condition. Three-cabin, one-head version. Among the numerous routine maintenance and upgrade interventions carried out in recent years, the new Flexiteek cockpit decking stands out, the rigging which has been replaced (G&G Rigging 2025), the bronze through-hull fittings, the mainsail (2026 with very few hours of use), the windlass and the Axiom plotter in the wheelhouse. A large Enercom solar panel on the sprayhood provides charging for two excellent Victron Energy AGM batteries of 110Ah, while engine starting is assured by a red Optima battery. The mainsail track has a dual working position: when cruising it is positioned on deck, allowing you to take advantage of the large bimini and to sail with the entire cockpit in the shade, while when positioned in the cockpit, it allows you to indulge in some racing fun and achieve the performance that this hull can deliver. This fortunate Jeanneau model represents an opportunity not to be missed for those who know how to appreciate the cruising and performance qualities it has to offer.

MOTORIZATION

Engine	Yanmar 3YM30
Power	30 HP
Engine hours	2000
Transmission	Shaft drive
Propeller	2 folding propellers

LAYOUT

Cabins	3
Berths	6 + 2
Bathrooms	1
Sail storage	No
Crew cabin	No

INTERIOR & COMFORT

- Floorboards in mahogany with light seams
- Mahogany interior
- L-shaped galley with light resin countertop
- ENO galley with 2 burners and oven
- Double stainless steel galley sink new
- Top-loading electric refrigerator Frigoboat
- Water tank 320 liters
- Fuel tanks 136 liters
- Water heater
- Pressure water system
- Automatic bilge pump
- Manual heads Jabsco
- External shower hot/cold
- 2 Service batteries Victron Energy AGM 110 Ah
- 1 Engine battery Optima red 50 Ah
- Battery charger Cristec CPS 300 25A
- Solar panel Enecom with Victron SmartSolar MPPT 75 voltage regulator
- LED interior lights
- USB outlets in forward cabin
- 220V outlets in all areas
- Sony DSX-A410BT stereo with USB and Bluetooth
- Speakers in saloon and cockpit
- Additional portholes in the aft cabins

INSTRUMENTS & ELECTRONICS

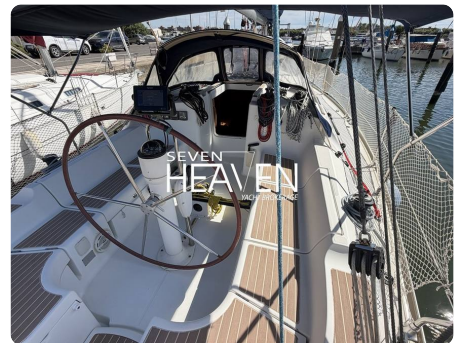

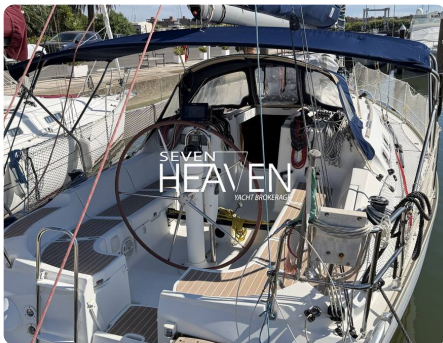

- Raymarine Instrumentation
- C70 Internal Plotter with chart
- Axiom 7" External Plotter on helm
- ST6001 Autopilot
- S100 Remote Autopilot Control
- ICOM M401 VHF
- AIS
- ST60 Wind Instrument
